Winthrop — Massachusetts

TIMOTHY F. SHEEHAN

To Mr. Sheehan

We of the class of 1950 are indeed honored to dedicate this issue of the *Echo* to you on your silver anniversary of teaching here at Winthrop High School. Throughout our high school days we have been aware of the friendly guidance and unselfish assistance that you have afforded us, often in ways which we didn't realize at the time. You have helped immeasurably in making our socials and dramatic productions possible. Your excellent coaching has been reflected by the success of our golf teams. With the sincere hope that the future students of Winthrop High will continue to benefit by your guidance for many years to come, we express our deepest gratitude.

The Wishing Well Formal

On November 18th, the Senior Class held the Wishing Well Formal in the Edward R. Clarke Auditorium at the Shirley Street School. While keeping time in the Grand March to the music of Johnny Sisk and his orchestra, the couples put individual wishes in a paper and wood replica of an old-fashioned well. Pictures of the attractively dressed couples were taken by members of the Photography Club, with the well making a very picturesque background.

During intermission there were specialty acts, and various members of the class put on a hilarious pantomime based on an appendix operation supposedly having taken place on television. Walter Sweeney, as Master of Ceremonies, directed this enjoyable entertainment.

After the skit, Miss Mills and Mr. Colby, the Senior Class advisors, were presented with gifts as a token of appreciation for their assistance.

The Junior Social

Everyone who attended the Junior Social, called An Old Fashioned Walk, certainly had a wonderful time.

The dance, which was informal, was held at the Shirley Street School at eight o'clock on March 16. Johnny Sisk supplied the mellow music.

The Juniors really put a lot of work into their social, judging from the decorations. They had a trellis through which the Grand March was directed and under which they took pictures later in the evening.

The Juniors did a wonderful job and the dance couldn't have been better.

The Script Writers Kept Busy

Editing the Winthrop Senior High School *Echo*, the newspaper and the yearbook, has been a great honor for the members of the staff. More than that, however, it has been a valuable experience. We wrote two editions of the newspaper in our Junior year, and six more in this, our Senior year. During that time we learned a great deal of the type of work involved, which includes finding news, interviewing, setting up a paper, and so on. At the same time we learned the priceless lessons of promptness, accuracy, and co-operation.

The Echo staff wants to thank Miss Wilder, our faculty advisor, for the help she has generously afforded us.

We are also grateful to the Sophomore and Junior home-room editors who made *The Echo* more interesting for their classmates.

Of course, we cannot forget our *Echo* typists. Without them our paper could not have been printed.

The Winthrop High Round Table

The achievements of the Student Activities Committee seem to grow in scope with each succeeding year. An increasing number of important school problems have been brought before the group, and as a result of the decisions rendered, there have been several changes in school policy. The method of nominating the candidates for Good Government Day Representative has been altered, and plans for a new system of lunchroom supervision have been formulated. Mr. Dunham has encouraged discussion on suggestions for a series of interesting assembly programs.

On February 8, the committee assisted in the management of the second annual Career Day. The members were informed that they would be expected to assume an added amount of responsibility in the production of this affair and that eventually it might become an exclusive Activities Committee function.

This varied activity and accomplishment would seem to reflect very highly the excellent leadership of the committee's officers: Kenneth Belcher, President; Howard Shwartzner, Vice-President; Barbara Kelley, Secretary.

Musical Effects by the Choir

The A Cappella Choir met regularly during the year the second and third lunch periods on Mondays and Tuesdays.

Mr. Anderson has worked hard to teach the students a variety of music, such as selections from operettas and musical shows, negro spirituals, Christmas songs, and folk tunes of different countries.

On December 23 the choir went around to the Winthrop schools and sang Christmas Carols.

Our TV Cameramen

Kenny Belcher, Francis Mycue, and Joan Dahnke in the club's darkroom. (Photo by Robert May, 1950.)

This year, a great number of students participated in the activities of the Photography Club which met in the Mechanical Drawing room, second and third lunch periods on Wednesday.

Mr. Herland, club advisor, was always on hand to greet new enthusiasts in the field of Photography and to answer "Mr. Camera-Fan's" questions and give helpful advice, after school as well as during home room periods. The officers were: President, Robert May; Secretary-Treasurer, Martha Ann Gould; and Chairman of Darkroom and Supplies Committee, Thomas Merchant.

Many changes were made in the darkroom, and new ideas were put to practical use for convenience and ease in doing future photographic work. Activities included contests, quizzes, lectures, moving-pictures, and a picnic which included taking many pictures. Members of the club took group pictures at the socials, and proceeds helped each class defray its expenses as well as build the club's treasury.

John Cushman, 1952, won first prize in club contest for School Activities picture with this photograph of Richard Albert, 1952, hard at work.

"THE WAGON TO THE STAR"

An exciting basketball game, a mix-up over a test paper, jazz records, a young couple — all this and more constitute the happenings at Bolarville High School — or any other.

All this makes up the Senior play, "The Wagon to the Star," which was presented in Osborne Hall, Thursday, December 8, and Friday, December 9, 1949.

The audience found it easy to lose themselves in a high school atmosphere through the excellent performance of the cast.

We are most grateful to the cast, the stage crew, and Miss Kinoian — all of whom willingly gave up so much time to make the senior play a great success.

Football Season Has Its Highlights

Thanksgiving Day, 1949, marked the end of a football season which had its ups and downs. Danvers won the Turkey Day classic, 26-14.

In view of the fact that Winthrop had sixteen lettermen, including seven starters returning from the previous year, the season's outcome was not as bright as expected.

Although Winthrop managed to win only one game during the season, that from Stoneham 20-7, other games of note should be mentioned. When Winthrop left to play Marblehead, they were a five-touchdown underdog, but at half time the score was tied at six-all, with Winthrop fighting hard. Marblehead hadn't been scored on except by a champion contender, Gloucester. Other well-played games were: Amesbury 7-6, Lexington 6-0, and Reading 20-12.

Captain "Billy" Rutherford was injured earlier in the season, and his loss for a time was unfortunate. His performances in the

Lexington and Amesbury games were commendable, along with the spirit and lift he gave to the team.

The innovation of the single-wing formation, along with the T formation should provide a strong scoring punch for next fall. According to head coach Gordon Connor, assistant coaches McClean, MacFarland, and Stevenson, the outlook is bright.

Thanks are extended to the loyal fans, and especially to the cheerleaders, who were with us all the way.

Close Race Ends Hoop Reign

Winthrop High's 1950 basketball squad, though failing to capture the Northeastern Conference crown for the first time in six years, completed their season with a highly creditable record of ten wins and four losses. Two games, one with the Alumni and the other with Saugus, were cancelled.

Winthrop's Conference record was 6-3, the big jinx being the eventual winner, Marblehead, who was the only team to defeat the locals twice. The other loss was a heartbreaking 34-33 setback at Swampscott, but on the home court Winthrop throttled the Sculpins with a 37-29 defeat. The final game of the season saw Winthrop bowing in the closing seconds to a good Winchester quintet, 39-36. High Scorer for the year was the versatile "Shel" Bernstein, who tallied 147 points.

Though Winthrop did not win the Conference and a tournament bid, the lads and their coach deserve credit for their fine spirit and sportsmanship throughout the year. Members of the squad include Co-captains Shel Bernstein and Howie Schwartz, John Tsiumis, Tony Brogna, Mel Mattson, Lawrence Burke, Frank Shea, Paul Connor, Carmen Merlino, Norbert Rubinstein, Allen Abrams, and Stevie Miles, the latter six returning for the next season's competition.

The high individual scoring was as follows (includes the 14 games):

1950 Baseball Sportscaster Says:

Coach Gordon Connor's baseball team, which is in the Northeastern Conference, looms as the team to beat with its entire infield and the nucleus of the outfield and pitching staffs of last year back. Playing Marblehead, Swampscott, Saugus, Amesbury, and Danvers, these boys returning from last year should see plenty of action: Captain Roy Evans, Sheldon Bernstein, Howard Shwartz, Mike Christopher, Louis Racca, Bruce Dalton, and Lester Levey.

The schedule follows:

Girls Show Plenty of Spirit

The girls' basketball team had a bit of bad luck this season, managing to win only one game out of seven. Their one victory was won from Somerville by a score of 33 to 32. However, the thriller of the season was a game at Marblehead where the girls almost upset a powerful Marblehead team. The game was topsy-turvy all the way, and with only minutes left, Marblehead pulled ahead to win 43 to 36.

The JV's had an equally dark season with only one win also. Their victory was over Malden, 24 to 20.

The following is the individual scoring for the first team:

E. Lavoix	54
L. Russo	50
J. Alexander	36
J. Bucknam	17

With only three boys of the 1948-49 team missing, Winthrop High's tumbling team again electrified the football crowds, both at home and on distant soil. This group worked out under the careful eye of Mr. Carl Johnson, not only to perform between the halves of football games, but also to

"strut their stuff" at a joint meeting of the Winthrop P. T. A. and at the annual Thanksgiving Day rally. The only black mark on an otherwise perfect slate was the fractured wrist received by Tommy Magee just before Thanksgiving.

THE CHEERLEADERS

C. Bowser, B. Wickwire, L. Winter, L. Fielding, F. Vance, J. Costonis, J. Lessard,

The Sound Effects Department

The Winthrop High Cheerleaders had a full season of football and basketball, and they certainly looked keen in their blue and white uniforms parading with the band from the Junior High School to the football field, where they cheered our boys on, winning or losing.

The Thanksgiving Football Rally was much enlivened by their dance routines and singing. New words, to suit occasions, were written to the music of *MacNamara's Band* and *Buckle Down Winsockie*.

On March 31, the year's cheering activities were wound up by the annual cheerleaders' dance which, this year, was called *The Jesters' Jaunt*. A colorful array of decorations and music by Jack Carroll's orchestra made it a perfect ending for a perfect year.

TENNIS CAPT. JANVRIN

GOLF CAPT. WOODS

Winthrop's golf entry in the North Shore Interscholastic League should, under the experienced tutoring of Coach Timothy Sheehan, have another victorious campaign. Paced by Captain Thomas "Hole-in-one" Woods, David Atkinson, Robert May, and Lawrence Burke, Winthrop should clean up with such teams as Chelsea, Peabody, Salem, Beverly, and Swampscott.

The tennis outlook is one of the brightest

in years. Coach Harold Morse has five returning veterans in Captain Hugh Janvrin, Sheldon Young, Herbert Belkin, Thomas Merchant, and Melvin Mattson. He also has several very promising sophomores who proved themselves in the fall matches. The team is entered in the Suburban Tennis League along with such rivals as Belmont, Watertown, Arlington, Malden, Melrose, Lexington, and Cambridge Latin.

TRACK CO-CAPTS. BOORAS AND BROGNA

Track Coach Wallace McClean and co-captains Anthony Brogna and John Booras lost most of their point-getters in the field events by graduation last year, but they still have many returning standouts in the dashes and longer runs. They have scheduled six meets, with their season culminating in the Northeastern Conference Meet which they should win handily as before. The team will be sparked by such speedsters as our co-captains and Walter Sweeney, Everett Chambers, Norman Winnerman, Raymond West, and James Perry.

Mothers' Club Gives Students Lift

Even though the sports picture wasn't so bright as expected, the ever-faithful Mothers' Club was always on hand to refresh team members after any athletic contest. They supplied sandwiches, milk, cookies, and apples to the tired athletes.

Their work didn't stop at that point, but went on with the Football Dance in November and more recently the dances after the Friday night basketball games.

Mrs. DiMento, the club's president, deserves a great amount of credit, along with all the other members. They are now planning a Spring Banquet which will include all athletic team members, at which sweater and letter awards will be given out.

The school is indebted to the Mothers' Club, and the students are hoping that they will continue their splendid work for many a year to come.
